Ann and Nancy Wilson were among the first to show us that women could rock as well as men. There have been other women rockers, but no one like the Wilson sisters. Their band Heart has been at the top of the album charts for over 40 years

They have sold more than 35 million albums throughout their career. They have had twenty Top 40 singles, seven Top Ten albums. They have received four Grammy Awards.

In 2009, television channel, VH1, named "Barracuda" the 39th best hard rock song of all time. "Barracuda" is one of Heart's signature songs. Come inside and find out just how and why this song was written.

All the Legends of Rock & Roll books are essentially biographies, but I am interested primarily in the music. You'll find that the emphasis is on the music, how it came to be, who wrote it and performed it and any juicy tidbits about any given song or album.

If you like the music of Heart, scroll up and buy now. You will enjoy it.
