This carefully crafted ebook: “No Name (Mystery Classic)” is formatted for your eReader with a functional and detailed table of contents.

No Name is a 19th-century novel revolving around the issue of illegitimacy. The story begins in 1846, at Combe-Raven in West Somerset, the country residence of the happy Vanstone family. In the first scene, the reader is introduced to Mr. Andrew Vanstone, Mrs. Vanstone, and their two daughters Norah, age 26, happy and quiet, and the irrepressible Magdalen, just 18, beautiful but with a steely jaw. They live in peace and contentment, looked after by their governess, Miss Garth. Magdalen likes nothing better than to read at her window while her personal maid combs through and through her long hair.

Wilkie Collins (1824–1889) was an English novelist, playwright, and author of short stories. His best-known works are The Woman in White, No Name, Armadale, and The Moonstone.
