Nanny And The Professor –

Taking Love in Stride –

Track coach Andrea O'Connor is fuming at the audacity of Ian Powers, the very attractive father of one of her students. He offers to buy school equipment only if Andrea agrees to train him for a half-marathon.

Well, train him, she will. And not just in running. As a widower with a high-powered job, Ian needs some instruction in being a father to an active teenage daughter. Yet as this overbearing man opens up, Andrea finds herself learning lessons—in loving.

Ian knows that Andrea, with her assertive attitude and her penchant for stilettos, is some woman! But her vulnerable heart is on the run, so he'll have to prove that his love, unlike his running, has limitless endurance—and once he catches this swift beauty, he'll never let her go.

Mountain Laurel –

So what if Laurel Morgan hadn't had a date since the senior prom? If all it would take to convince her teenage sister to consider college was to go on a few dates and have some fun, it was a bet she could beat. And before she could change her mind, sexy forest ranger Michael Walker agreed to play the part of her ardent admirer!

Laurel never expected Michael's acting abilities to be quite so convincing. Whenever her sister was watching, Laurel found herself wrapped in a heady embrace with a passionate kiss on the way. Her captivating cohort promised a performance that would win her the wager, but when the curtain closed, would she lose the only man she would ever love?
