The Human Face of Jesus Lester Sumrall

This book was written to inspire you to set your face towards the Lord—to seek His face. One day all of us will see the face of Jesus, His glorious majesty. At that time believers will see the face of Christ and rejoice, but those who refuse to come to Christ will see him another way, as Judge, and will want to hide. Now is the time to seek His face and live. Tomorrow may be too late. “For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ” (2 Corinthians 4:6).

Originally written in 1973 under the title, The Face of Jesus, It was Dr. Sumrall’s intention to revise and add new material. This finished second edition, completed 14 years after his home-going, has been compiled from his many notes, revisions, and hand-written manuscripts containing Dr. Sumrall’s original thoughts, insights, and writings. It was the hope and prayer of Dr. Lester Sumrall that you will see the face of Jesus as you read the pages of this book.
