The Universe -- our eternal partner -- returns for the third installment in the *Notes from the Universe* series, dispensing wisdom, humor, and insight into the truth about creating the future we desire. *Even More Notes from the Universe* combines Mike Dooley's pithy and inspiring messages, direct from the Universe, to help you start living the life of your dreams -- today. Focusing on the desired results joyfully and with gratitude is infinitely more engaging than struggling and stressing about them. Relax, laugh, and enjoy the footwork the Universe has to share.

Whether your dance is the tango, hula, or one of your own creation, dancing life's dance begins with that first brave step. The music has always been playing your favorite tune, yet hearing it requires action. And right on cue, your unfailing partner, the Universe, begins choreographing players and events in a waltz of miracles, moving heaven and earth to align the future of your dreams with your present circumstances. Nothing is impractical, impossible, or out of reach. Your thoughts create worlds, your words shape the future, and the steps you take unleash the magic behind creation. In this third book in the *Notes from the Universe* trilogy, Mike Dooley brings a fresh perspective from your most loyal friend.
