Paradise (illustrated by Gustave Doré) (Divine Comedy Book 3)

Dante Alighieri

Paradise (illustrated by Gustave Doré) (Divine Comedy Book 3) Dante Alighieri

"Paradise" (or Paradiso) is the third part of Dante Alighieri's 14th century epic poem, "The Divine Comedy" (the other two parts being "The Inferno" and "Purgatory"). This is the 1814 blank verse translation by H. F. Cary, and has the complete set of 21 woodblock illustrations by Gustave Doré, which were originally published in 1866.

"Dante's Paradiso is the least read and least admired part of his Divine Comedy. The Inferno's nine circles of extravagant tortures have long captured the popular imagination, while Purgatorio is often the connoisseur's choice. The time is ripe to reconsider Paradiso's neglect...The idea of a heaven that stands in such uneasy tension with earth is what makes Paradiso so alien to our sensibilities, but it is also gives the Paradiso its dramatic power."
