Project Financing: Asset-Based Financial Engineering John D. Finnerty

A timely update to one of the most well-received books on project financing

As an effective alternative to conventional direct financing, project financing has become one of the hottest topics in corporate finance. It's being used more and more frequently—and more successfully—on a wide variety of high-profile corporate projects, and has long been used to fund large-scale natural resource projects. But the challenges of successful project financing are immense, and the requirements of the process can easily be misunderstood. That's why John Finnerty has returned with the *Third Edition* of *Project Financing*.

Drawing on his vast experience in the field, Finnerty takes you through the process step by step. Using updated examples and case studies that illustrate how to apply the analytical techniques described in the book, he covers the rationale for project financing, how to prepare the financial plan, assess the risks, design the financing mix, raise the funds, and much more.

- Includes completely new chapters that cover the financing of sustainable projects as well as Sharia-compliant (Islamic) project financing
- New material has been added to the discussion of financial modeling and international debt financing
- Explores today's most innovative financing techniques and analyzes the shortcomings of unsuccessful project financing attempts

Whether you're a corporate finance professional, project planner, or private investor, *Project Financing, Third Edition* demystifies the complexities of project financing and provides an invaluable guide for anyone who wants to master innovation in corporate finance today.

From reader reviews:

Joshua Lippert:

With other case, little people like to read book Project Financing: Asset-Based Financial Engineering. You can choose the best book if you love reading a book. Providing we know about how is important a new book Project Financing: Asset-Based Financial Engineering. You can add understanding and of course you can around the world with a book. Absolutely right, due to the fact from book you can know everything! From your country right up until foreign or abroad you may be known. About simple matter until wonderful thing you can know that. In this era, you can open a book or searching by internet product. It is called e-book. You need to use it when you feel weary to go to the library. Let's learn.

Salina Juarez:

What do you ponder on book? It is just for students because they're still students or the item for all people in the world, the particular best subject for that? Only you can be answered for that query above. Every person has distinct personality and hobby for each other. Don't to be compelled someone or something that they don't need do that. You must know how great as well as important the book Project Financing: Asset-Based Financial Engineering. All type of book would you see on many sources. You can look for the internet resources or other social media.

Carrie Porter:

As people who live in typically the modest era should be update about what going on or facts even knowledge to make them keep up with the era that is certainly always change and make progress. Some of you maybe can update themselves by reading books. It is a good choice for yourself but the problems coming to a person is you don't know which you should start with. This Project Financing: Asset-Based Financial Engineering is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Scott Peters:

Playing with family in the park, coming to see the coastal world or hanging out with close friends is thing that usually you will have done when you have spare time, after that why you don't try thing that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Project Financing: Asset-Based Financial Engineering, you are able to enjoy both. It is great combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its known as reading friends.
