The Read for Animals project started when I was organizing and rewriting the short stories I have written the past few years. The idea came to me that with a few of my friends we could put together an anthology to help animals, and I asked my animal lover friends if they'd like to participate. They responded, and the stories and poems started flooding in. We published the first book of the Read for Animals series, and the first \$100 donation was made to Columbia Greene animal shelter of NY, thanks to animal lovers who purchased the book. This book is the second in the Read for Animals series. Some stories will make you laugh out loud; others will warm your heart and make you cry. Some stories are true, and the fantasy stories will make you think... what if? Each author and poet brings their unique writing style, to make the book enjoyable. Thank you for helping our furry, scaly and feathered friends in need, by purchasing this book.
