America's Prisoner: The Memoirs of Manuel Noriega

Peter Eisner

America's Prisoner: The Memoirs of Manuel Noriega Peter Eisner

Important messages sometimes come from unlikely messengers. Manuel Noriega may be a demon in the eyes of most Americans, but he has a unique and alarming view of the reasons behind the U.S. invasion of Panama. His book is certain to be one of the most newsworthy and controversial events of the year, containing revelations about dealings with George Bush, Oliver North, William Casey and the CIA, Jimmy Carter, Fidel Castro, and Moammar Quadafi.

Noriega's story was independently investigated by Peter Eisner, a top foreign correspondent who has reported on Latin America for more than twenty years. Eisner's reporting confirms many of Noriega's assertions and provides additional perspective on his conduct as head of Panama's military, his relations with key U.S. officials, and the damage inflicted upon the people of Panama by the U.S. invasion. Eisner's reporting raises new questions about allegations that Noriega was a drug dealer, a murderer, and a thief.

America's Prisoner is one of the most unusual and important accounts ever written about U.S. aggression and duplicity. It's the story of how we have imprisoned a man -- and a nation.
