**Earthbound** Aprilynne Pike

**#1 *New York Times* bestselling author Aprilynne Pike has created a heart-stopping romance built on a love triangle like you've never seen before and filled with epic stakes and a centuries-long conspiracy. Give it to fans of *Beautiful Creatures* and *Nightshade*.**

Tavia Michaels is the sole survivor of the plane crash that killed her parents. When she starts to see strange visions of a boy she's never spoken with in real life, she begins to suspect that there's much about her past that she isn't being told.

Tavia immediately searches for answers, desperate to determine why she feels so drawn to a boy she hardly knows. But when Tavia discovers that the aunt and uncle who took her in after her parents' death may have actually been responsible for the plane crash that killed them--*and that she may have been the true intended victim*--she flees for the safety of Camden, Maine, where the boy she sees in her visions instructs her to go.

Now, Tavia is on the run with no one to trust. *No one, that is, except for her best friend and longtime crush, Benson.*

Tavia feels torn between the boy who mysteriously comes to her at night and the boy who has been by her side every step of the way. But what Tavia doesn't know is that *the world is literally falling apart* and that to save it she will have to unite with the boy in her visions. Only problem? To do so would mean rejecting Benson's love. And that's the one thing Tavia Michaels swore she'd never do.

### From reader reviews:

#### **Brian Bottoms:**

As people who live in typically the modest era should be update about what going on or information even knowledge to make all of them keep up with the era that is always change and make progress. Some of you maybe may update themselves by looking at books. It is a good choice for you but the problems coming to a person is you don't know what one you should start with. This Earthbound is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

#### **Paul Hill:**

Beside this specific Earthbound in your phone, it could give you a way to get closer to the new knowledge or data. The information and the knowledge you will got here is fresh from the oven so don't become worry if you feel like an previous people live in narrow community. It is good thing to have Earthbound because this book offers to you readable information. Do you occasionally have book but you don't get what it's all about. Oh come on, that won't happen if you have this with your hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. Techniques you still want to miss it? Find this book as well as read it from at this point!

#### **Princess Bequette:**

This Earthbound is new way for you who has intense curiosity to look for some information as it relief your hunger of information. Getting deeper you upon it getting knowledge more you know otherwise you who still having little bit of digest in reading this Earthbound can be the light food in your case because the information inside this particular book is easy to get simply by anyone. These books acquire itself in the form which can be reachable by anyone, yeah I mean in the e-book contact form. People who think that in publication form make them feel tired even dizzy this reserve is the answer. So you cannot find any in reading a book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss that! Just read this e-book type for your better life along with knowledge.

#### **Blair Gant:**

Reading a e-book make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is prepared or printed or created from each source this filled update of news. Within this modern era like currently, many ways to get information are available for you. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the Earthbound when you required it?
