Based on the latest direct-to-video Barbie movie, this panorama stickerbook encourages girls to read the story and then recreate the tale with reusable stickers and a two-sided play board.

Hailey (Barbie) and her friend Kristen are two ballet students at a special dance school. Their ballet instructor is always telling Hailey to keep to the routine and to stop changing the dance. But, Hailey loves to make the dance her own. One day, Hailey's dance shoe rips, so she and Kristen go downstairs to the seamstress/cobbler to get her shoes fixed. Madame Katarina gives her a pair of magic dance shoes, which transport the girls to a magical place where Hailey becomes the lead dancer in all the classic ballets. And true to form, she keeps changing the dance routines a bit.

Soon after one of the girls is kidnapped by the evil Snow Queen. But with the help of her friend, and by staying true to herself, she dances her way to a bright future.

With this Panorama Sticker Storybook, girls read the story, and then they can play out the scenes with the reusable stickers and three panoramic play scenes attached at the front and back of the book.
