Webster's

With over fifty years of experience in dictionary publishing behind it, *Random House Webster's Unabridged Dictionary* is the most definitive single-volume reference of the English language available. This modern dictionary offers an exhaustive, traditional study of the language, while covering the latest, most important developments—ahead of any other dictionary.

The *Random House Webster's Dictionary* is designed to meet the wide-ranging needs of today's students and scholars, who may study ancient documents one hour and surf the Internet the next; of professional writers, who craft poems or write articles for technical journals; of businesspeople, who need to communicate clearly; and—above all—the needs of word lovers.

In addition to standard and specialized vocabulary, this extensive volume contains a wide variety of up-to-date, authoritative information. The *Random House Webster's Unabridged Dictionary* is a unique general reference volume for the office, the school, and the entire family.

Important Features Include:

- A New-Words Section in the front of the book with over 1,100 important words and meanings—words such as *broadband*, *urban legend*, *Disneyfy*, and *smoothie*.
- Over 315,000 entries
- 1,500 updated definitions and entries
- 2,400 illustrations and spot maps
- Scholarly, up-to-date etymologies, including dates to show when terms entered the language, and showing clearly labeled Americanisms
- Entries for important and famous people; places and historical events; major works of literature, music, and art; names and abbreviations of academic, governmental, social, and fraternal organizations; popular given names; common abbreviations; and foreign terms

More important features include:

- Entries and definitions for current place names, reflecting recent political and geographical changes worldwide
- Coverage of major British, Canadian, and Australian terms
- Over 750,000 example phrases and sentences to show how words are used in context
- Metric equivalents for weight, volume, height, distance, etc., included in definitions and captions
- Endangered species identified
- Comprehensive supplementary notes at many entries, discussing:
 - usage problems
 - pronunciation questions

- distinctions among synonyms
- regional variations and dialects
- Valuable supplements in the front and back of the dictionary, including:
 - synonyms
 - antonyms
 - words formed from common prefixes
 - “Sound-Spelling Correspondences in English”
 - “Basic Manual of Style”
 - “Words Commonly Confused”
