Can You Really Chat with the Departed?

Toni Ann Winninger does just that every day. A leading US psychic she amazes us with her ability to channel famous people of the past. Here she helps her colleague British author Peter Watson Jenkins talk informally with 21 deceased leading women of the twentieth century, just as if they had come for tea and a chat about the old days.

Toni and Peter have had years of practice contacting the Other Side. They firmly believe in what they are doing. They say it's quite OK for you to be skeptical - but you'll still want to ask lots of questions!

Here is a sample of Peter's questions answered in this book:

- \* Does Georgia O'Keeffe still visit her favorite mountain?

- \* What memory can still make Helen Keller angry?
- \* How does Judy Garland get on with her five husbands now?
