**Serpent's Kiss: A Witches of East End Novel (The Beauchamp Family Book 2)** Melissa de la Cruz *The basis for the hit Lifetime TV series, Witches of East End!* The intriguing Beauchamp family, introduced in the *New York Times* bestselling *Witches of East End*, returns in *Serpent's Kiss*, with dizzying plot twists and spellbinding magic. Joanna and her daughters, bookish Ingrid and wild-child Freya, are just settling into the newfound peace that has been cast over their small, off-the-map coastal town of North Hampton. With the centuries-old restriction against practicing magic lifted, casting spells, mixing potions, and curing troubled souls has never felt so good for the three witches. That is, until everything gets turned upside down.

It all begins when Freya's twin, Freddie, suddenly returns, professing innocence on a long-ago crime and blaming Freya's fiancé. Torn between brother and lover, Freya doesn't know who to trust. And, for the first time, Ingrid is in love with a charming detective. But can romance work between a virgin witch and a mortal who doesn't believe in magic? To add to the chaos, a dead spirit is attempting to make contact with Joanna--but does it mean to bring harm or help?

As the witches pull together to discover the culprit behind Freddie's imprisonment, everything is thrown into peril. Will the discovery come too late to save those they love most? *Keep reading--check out WINDS OF SALEM: Book 3 - Witches of East End.*
