"Many times I have told the 'You Don't Know My Life' story. Wherever I tell it, people write me or email me later and say my story has impacted their lives. It helped them to stop judging people, or it gave them the best comeback line of all time when people have tried to define them or told them things that were not true about them. Here is the story I tell that has changed my way of thinking about my life and others.

While in line at a popular fried chicken establishment, I stood behind a woman placing her order. She told the cashier she would like a bucket of chicken, two sides, and a large Coke. The cashier asked her if she would be taking that to go. The lady in line answered and said, "No, I will be eating it here." The cashier said in a loud and judgmental voice, "You are going to eat all of that here?" Without missing a beat, the lady in line said, "You dont know my life!"
