Dublin Dead: A Novel Gerard O'Donovan

Irish detective Mike Mulcahy returns in this suspenseful follow-up to the highly acclaimed international bestseller *The Priest*—and now he's hot on the trail of an international drugs gang.

One year later, DI Mike Mulcahy is exactly where he wants to be, coordinating international intelligence for Ireland's National Drugs Unit. But with the economy in meltdown and his department facing tough cutbacks, his dream job is in jeopardy. Then Mulcahy spots a possible link between the murder of a Dublin gangster in Spain and a massive shipment of cocaine abandoned off the south coast of Ireland. Could this be the break he's been praying for? Meanwhile, reporter Siobhan Fallon is still recovering from her ordeal at the hands of a sadistic killer. Work is her only refuge, and while she's an emotional basket case, her nose for a story is as sharp as ever. When a suicide turns out to have a bizarre missing-person's angle, she's convinced there is something darker to it. But with a vital piece of evidence beyond her grasp, she has to turn to Mulcahy for help. Mulcahy and Fallon have no idea what deadly ground they're setting out on together, or that their journey will lead them on a twisted trail of terror to the rocky shores and windswept hills of West Cork and a blood-drenched showdown with a remorseless killer.

From reader reviews:

Susan Williams:

What do you concentrate on book? It is just for students as they are still students or that for all people in the world, what the best subject for that? Only you can be answered for that problem above. Every person has several personality and hobby for each other. Don't to be obligated someone or something that they don't wish do that. You must know how great and important the book Dublin Dead: A Novel. All type of book would you see on many options. You can look for the internet solutions or other social media.

Denise Rutledge:

On this era which is the greater man or who has ability to do something more are more precious than other. Do you want to become certainly one of it? It is just simple approach to have that. What you need to do is just spending your time very little but quite enough to have a look at some books. One of several books in the top record in your reading list is usually Dublin Dead: A Novel. This book which can be qualified as The Hungry Slopes can get you closer in growing to be precious person. By looking up and review this guide you can get many advantages.

Mary Killgore:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Dublin Dead: A Novel can make you feel more interested to read.

Gregory Anderson:

What is your hobby? Have you heard that question when you got college students? We believe that that concern was given by teacher with their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person similar to reading or as examining become their hobby. You must know that reading is very important along with book as to be the factor. Book is important thing to include you knowledge, except your current teacher or lecturer. You discover good news or update with regards to something by book. Amount types of books that can you choose to use be your object. One of them is this Dublin Dead: A Novel.
