Nesheim, Ph.D., a Cornell animal nutrition expert, to write *Feed Your Pet Right*, the first complete, research-based guide to selecting the best, most healthful foods for your cat or dog. In this engaging narrative, they explain how ethical considerations affect pet food research and product development, how pet foods are regulated, and how companies influence veterinary training and advice. They conclude with specific recommendations for pet owners, the pet food industry, and regulators. A road map to the most nutritious diets for cats and dogs, *Feed Your Pet Right* is sure to be a reference classic to which all pet owners will turn for years to come.
