Barron's delightful series of *Look at Me Books* for toddlers continues to grow with more brand-new titles for the Spring 2011 season. Each of these board books tells a story about mother animal, how she cares for her baby, and keeps it out of trouble. The stories have natural appeal for younger boys and girls. This book's color illustrations on every page show a mother elephant and her baby rendered in a naturalistic style and placed in realistic settings. The book is die-cut in the shape of the baby elephant that is shown on the front cover and depicted in the story.
