Silent night is a living song, shared by countries all over the world. Many people think it is a folk song. But it isn't. The story of how it came to be was lost for a time but later found by a king-which is as it should be, because it is no ordinary tale, but a true Christmas story. So strange and wonderful is this story that it seems as if it must be a very, very old one. But it is really not so old. I heard it told, in the country where I was born, by an old man whose grandfather wrote the music for it.... The book has lovely color illustrations.
