Space Psychology and Psychiatry (Space Technology Library) Nick Kanas, Dietrich Manzey

The first edition of this book was voted Winner of the 2004 International Academy of Astronautics Life Sciences Award. The second edition deals with psychological, psychiatric, and psychosocial issues that affect people who live and work in space. Unlike other books that focus on anecdotal reports and ground-based simulation studies, this book emphasizes the findings from psychological research conducted during actual space missions. Both authors have been active in such research.
