The Constitution Made Easy: A Tea Partier's Guide

Michael Holler

The Constitution Made Easy: A Tea Partier's Guide Michael Holler

Written by a fixture on the Tea Party rally circuit, and unofficially adopted by the Party as its US Constitution guide, this book goes to the ultimate source for answers to the hot-button questions about how our nation is meant to be governed. Each spread pairs a page from the Constitution with a modernized version, clearing up the archaic legalese and making the meaning of the original accessible to anyone. An insightful introduction and detailed endnotes further illuminate the original principles outlined by the architects of the Constitution.

A huge success in the author's original self-published edition, this is the essential political guide to have as the 2012 election season heats up.
