The laws of attraction...

Walking in on a beautiful woman taking a bath is a perk Todd Wainwright doesn't expect when he arrives at a friend's Hilton Head beach cottage. The dedicated Chicago surgeon is looking for some much-needed R & R. He gets that and more when he spends an unforgettable weekend with South Carolina biochemistry professor Emily Porter, who knows all about the laws of attraction...

The chemistry of love

Emily has desired Todd ever since she first saw him at her sister's wedding. Having the sexy surgeon all to herself in a romantic oceanfront setting is beyond her wildest fantasies. But once the vacation's over, she's hit with a cold dose of reality. Is the workaholic doc ready to commit? Is the chemistry between them strong enough to turn a passionate lovers' idyll into a true and lasting love?
