I want you, Mina. The deepest core, the truth of you.

This steamy 2 book bundle contains the complete Dark Desires novella by Audrey Snow.

Dark Promise

Mina was desperate; yesterday, she had realized even with her next paycheck, she wasn't going to make rent. So she had called Marcus and asked him to meet with her. Marcus was a well-off friend -- okay, a billionaire friend -- who had asked her out before. But Mina was always too busy and she didn't think of him in that way. True, he was handsome, but there was always something about him, like he was holding back. She didn't know what it was, but every time he had asked, she had said no.

After a pleasant dinner, Marcus bluntly asked what she was after. Caught off guard, Mina tactlessly blurted it out.

"I'll sleep with you if you help me."

Her offer rejected, an embarrassed Mina stood and made to leave. Then, her old friend makes a counter-offer that freezes her in her tracks.

What I want isn't only friendship or only sex. I want you, Mina. The deepest core, the truth of you. I want you to need me in your soul. And I won't take you unless you do.

Taken to his mansion and left to play mistress of the house as Marcus works his seduction, Mina finds herself growing tantalizingly aware of the desires stirring deep within. Now, torn between the friend she has known for years and the hunger he has awakened in her, Mina is only just beginning to understand her dark promise...

Dark Passion

In desperation, Mina had turned to an old friend for help and he'd made her an offer that would change her life forever.

If she could give herself to him, completely, in every way, with no restraint, then he would provide for her everything that she could possibly need. It went beyond the merely carnal; Marcus wanted more from her than just sex. In fact, he refused to even touch her until Mina truly needed him, mind, body, and soul.

Now, Mina acts as Mistress to the mansion and its beautiful servants. Each new experience stirring dark desires within her, as she struggles to come to grips with who she truly is, and what she truly wants.
