Harrison Ford (French Edition) Laurence Caracalla

As the hero of Star Wars and the immortal Indiana Jones with his legendary hat and whip, Harrison Ford is just an ordinary man in the street that everyone can identify with. HF is certainly no poser, he leads a quiet life (despite a succession of wives, which is about par for the course), and his seductive charm emanates from his simplicity and intelligence. The actor is a genius (the best paid actor in Hollywood), spilling over with ideas during his film shoots. A perceptive biography from a true fan moved by both the man and the actor. who will soon be back on our screens as Indiana Jones!
