If the River Was Whiskey: Stories (Contemporary American Fiction) T.C. Boyle

In sixteen stories, T.C. Boyle tears through the walls of contemporary society to reveal a world at once comic and tragic, droll and horrific. Boyle introduces us to a death-defying stuntman who rides across the country strapped to the axle of a Peterbilt, and to a retired primatologist who can't adjust to the "civilized" world. He chronicles the state of romance that requires full-body protection in a disease-conscious age and depicts with aching tenderness the relationship between a young boy and his alcoholic father. These magical and provocative stories mark yet another virtuoso performance from one of America's most supple and electric literary inventors.

Wilma Shay:

Is it a person who having spare time subsequently spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This If the River Was Whiskey: Stories (Contemporary American Fiction) can be the response, oh how comes? It's a book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these books have than the others?

Lois Schooley:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this If the River Was Whiskey: Stories (Contemporary American Fiction) can make you sense more interested to read.
