## **La Resistencia (Spanish Edition)** Ernesto Sabato

En estas cinco cartas que Ernesto Sabato dirige a sus lectores ahonda en su análisis de nuestra realidad, empezado con *Antes del fin*, y aboga por un nuevo humanismo, con «la convicción de que únicamente los valores del espíritu nos pueden salvar de este terremoto que amenaza la condición humana». Los progresos de la ciencia y la técnica han transformado al hombre en un simple engranaje de una máquina de producir y consumir. Esta dramática preocupación por lo económico, la idolatría por la técnica y la explotación del hombre nos han llevado a la masificación, a la globalización, a la clonación y al miedo. Es la crisis de toda una concepción del mundo y de la vida. La sociedad virtual en la que vivimos nos aleja del corazón de las cosas, nos hunde en una indiferencia metafísica que nos hace olvidar el latido de la vida. Pero se vislumbran nuevas esperanzas, otras maneras de mirar el entorno, en el arte, en la resistencia de algunos a la uniformización, en los deseos expresados, que nos hacen tomar conciencia de que se puede resistir al poder de la robotización. Y crear nuevos valores humanos, recuperando los afectos, el gozo, el diálogo, la imaginación, la belleza, la fe en nuestro destino. Como en otras épocas de crisis, salvaremos el abismo e inventaremos un nuevo humanismo.
