# Learning Group Leadership: An Experiential Approach

Jeffrey A. Kottler, Matt Englar-Carlson

**Learning Group Leadership: An Experiential Approach** Jeffrey A. Kottler, Matt Englar-Carlson

“The writing is both highly personable and also very specific about techniques and attitudes students may take on as they experiment with membership leadership. I think my students will like it and will use it to engage even more fully with the experiential group. It most certainly fills a niche that needed filling.”

—Adam L. Hill, *Sonoma State University*

## Now Accompanied by a DVD!

Focusing on how to conduct and lead groups in a variety of therapeutic settings, **Learning Group Leadership: An Experiential Approach, Second Edition** covers theory, process, leadership, techniques, ethics, special populations, and challenges as they relate to group work. The **Second Edition** introduces important conceptual and practical information and then uses exercises, field study assignments, and personal application questions to help students apply concepts to their work and lives. The **Second Edition** now includes “student voices” throughout each chapter to provide descriptions of actual experiences.

## Key Features:

- Takes an experiential approach, helping readers understand how the concepts they learn in class can be applied to their own work in conducting groups
- Offers a conversational, practical, and realistic writing style
- Includes relevant examples drawn from the authors’ more than 25 years of teaching and leading experience
- Is accompanied by a new DVD, bound in the back of the book, which contains scripted sessions corresponding with every chapter

The password-protected instructor’s site is available with test questions at
