"From this moment on, we're all freedom fighters. Male or female, white, brown or black, we don't have much patience for anyone who won't pull his or her own weight or learn how to defend themselves. You can't hold on to liberty without working at it."

--Ben Raines

Change Will Come

After the apocalypse destroyed what was left of America, Rebel leader Ben Raines helped create the Tri-States. But no system is perfect: criminal gangs still roam the land, spreading havoc and violence. The punks, thugs and creeps have had a free hand for too long--especially in untamed Northern Maine, where a secret sect of underground cannibals threatens the new nation's freedom. It's time for them all to meet judge, jury. .and executioner.
