2. **Week Two takes you into the realm of making friends with your 'Monkey Mind'.** You'll discover some of the tricks it can play and how you can reclaim control, without turning things into a war. The daily messages cover how to stop others from stealing your meditation time and how to get over an addiction to putting your 'to do' list, plus Clare shares insider secrets to fast-track creating any new habit and getting past the 'meditation hump'.
3. **Week Three brings you practical mindfulness meditation techniques that can transform your experience of life.** The daily messages include giving you a magic wand to deal with worrying, spilling the beans on how wiggling your butt can help you meditate (really!) and sharing strategies for what to do if meditation stirs that old emotional pot.
4. **Week Four moves into gentle mantra meditation, to help you make subtle, yet profound, changes in your life.** The daily messages tip you off about the most dangerous word a beginner can use, two little words that could change your life, how to tell whether you're 'actually meditating', how to find the time you need, creating a special meditation space and ideas to help you continue with your meditation journey.
