Death and the Classroom Kathleen K. Cassini, Jacqueline L. Rogers

Death and the Classroom is a teacher's textbook for situations in which a teacher and faculty comes face-to-face with death in the school setting and must face his/her pupils' questions and fears. From information on the many normal ways that children express grief and deal with terminal illness and sudden death, to suggestions for memorial services in school settings this book makes a down-to-earth presentation of the "how to's" with step by step directives for the first forty-eight hours and additional powerful suggestions for the remainder of the year.
