## **Outback Legacy** Aaron Fletcher

Bold, breathtaking, and beautiful, the Australian outback called to Lesley Holleck like no other site on the continent. The young firebrand soon realized, however, that the untamed region could exact a brutal price from all who dared enter it. But disguised as a rowdy jackaroo with a special talent for taming horses, she would earn the admiration and respect of the people who would help her survive there and forever change the world.

Alexandra Kerrick: The proud matriarch of Tibooburra Station saw through Lesley's charade and vowed to reward the audacious girl's spirit.

John Thorpe: Half Aboriginal, half white, the brilliant inventor befriended Lesley, never dreaming that one day his creations would save her from utter ruin.

Zachary Cooper: He had conquered the vast wilderness, but taming Lesley's wild heart would take more strength than even he possessed.

Determined to find her place on the frontier, Lesley battled disasters both natural and man-made. Yet only with a courage and cunning born of her undying love for the land would she secure her piece of the Outback Legacy.
