## **The Duke's Province: A Study of New York Politics and Society, 1664-1691 (Unc Press Enduring Editions)** Robert C. Ritchie

The late seventeenth century in America was important as an era of transition from rough settlement to established provincial life. It was a time when social, political, and economic problems caused strains that led to religious doubt, personal anxiety, riot, and one of the worst rebellions in the colonies. New York's situation was further complicated by a series of political changes and a unique bicultural population.

Originally published in 1977.
