Bear My Soul (Fire Bears Book 1) T. S. Joyce

Rory Dodson is done running. After one night of bliss with a man she never thought she'd see again, she's in trouble with a young son who is housing one ferocious little bear cub inside of him. Desperate to keep her baby's secret safe, she has nowhere to turn but to the man she was determined to keep in her past. What she doesn't expect is the instantaneous, heart-pounding connection she remembers from before. But all of the sex appeal in the world can't hide the fact that Cody Keller is keeping dark secrets of his own.

Alpha bear shifter, Cody, is a firefighter by day but something more sinister by night. Towing a fine line between leading a normal life and keeping the government off his crew's back, he has been running missions that few sane men would take, and even fewer would survive. But when the woman he has searched six years for blows back into town, toting a kid who bears his mark, his life is about to get a whole lot more complicated.

It's not enough to protect the Breck Crew from the growing threats around him anymore. Cody will have to push back and stand up for his kind if he wants a shot at keeping his fragile new family safe from what he's become.

Content Warning: explicit love scenes, naughty language, and piles of sexy shifter secrets.
Adult only bear shifter romance.
