## ***Interview with the Author***

**Q** - What kind of reader would like this book?

**A** - I think this book will appeal to readers who are looking for laugh out loud comedy and madcap action in a supernatural world. The funny witch books in this series are fast-moving, romantic gothic mystery, which explore Heaven and Hell and everything in between. *The Demon Diaries* series comes with a kickass Gothic heroine, demons, werewolves, vampires, angels and even fairies and dragons in the mix. So if you love paranormal and humorous mysteries, then you'll probably like these books.

**Q** - Have you been writing for a long time?

**A** - Yes. I was first published in 1994, and since then I've written and published many books, including writing for Harlequin and winning the SYTYCW competition. It's been a fun journey so far. I've had the opportunity to work with and learn from some of the best writers in the world along the way, which has been amazing.

**Q** - What's so special about *The Demon Diaries*?

**A** - I think for me the special parts are the funny scenes. Is it bad that I laugh while I write these books? Because I do, all the time. But along with that, I love the wild adventures. I love that there are parody and satire moments that play with occult and urban myths in each story. I love the sorcery, spells and magic in the series. The fun witches romance and demon fantasy humour is a bright spark in a crazy dark world. It's just a wild adventure, and I think that's what I find special about the series.

*Thanks for reading!*
