## **Live Free Live Rich: Encyclopedia for Entrepreneurs (Volume 1)** Jonathan P. Rossignol

I wanted to create a piece of work that covered a potpourri of topics that may affect a self-motivated individual at one point or another throughout their journey towards achieving their aspirations. Think of this book as a “Chicken Soup” for the entrepreneurial spirit. On the surface, this volume is simply a collection of articles I wrote while on my journey into the luminous world of entrepreneurship, but what it represents is everything I wish someone would have shared with me before I ever began; for my journey hasn’t been without folly, misfortune, and failure... "This book will provide you with the guidance needed to avoid the pitfalls and vault the hurdles that otherwise would slow you down or completely stall your potential." "Simply a must have, for any home office or college dorm room." "A parent's resource for preparing a child for 21st Century means of living."
