As soon as Melanie and her friend Tina offered to wash my car I should have know they had something else in mind!!

I think they got more of the soap and water on each other than they did on my car.

Both of them ended up soaked right through to their underwear.

And now they've followed me up to my bedroom.

As the man of the house I should know better, but they are both just so adorable.

Especially when they strip out of their wet clothes and turn their attention to each other.

I mean, it would be rude not to join in wouldn't it?

Who said three was a crowd?

*******WARNING******* this explicit short story contains descriptions of filthy sexual acts between an older man who should know better and two, hot, innocent young women.

Nothing is taboo or left to the imagination, so you need to be at least 18 to read what's inside.

You have been warned!!!

NOTE – All characters depicted in this story are over the legal age, none of them are blood related and all of the acts described are consensual.
