## The Foreign Policy of the European Union: Assessing Europe's Role in the World

In a relatively short time, the EU has become one of the most important actors on the world stage. This updated second edition of *The Foreign Policy of the European Union* explores the goals and effectiveness of the EU's external actions after adoption of the Lisbon Treaty. The book brings together prominent scholars and policymakers who provide an up-to-date view of the EU's foreign policy merits and challenges.

"The role and place of the European Union in the world has been a constant question for all of the actors involved.... This book reminds us well of the importance of this question and offers a particularly welcome general overview during these times of doubt and pessimism."—Pierre Vimont, from the foreword
