The Taxing Power: A Reference Guide to the United States Constitution (Reference Guides to the United States Constitution) Erik M. Jensen

The U.S. Constitution contains several limitations on the national taxing power. These limitations are almost always ignored due to the assumption that Congress is unconstrained in imposing taxes. *The Taxing Power* proves that assumption faulty by illustrating the importance of such limitations as the uniformity rule, the direct-tax apportionment rule, and the Export Clause. By looking at the historical origins of these limitations, Jensen argues that they are essential parts of the Constitution and should be taken seriously, as the founders intended.

This full-scale treatment of the subject is a timely reminder that the national taxing power is not absolute. In the last decade the Supreme Court has begun to see the Export Clause as an important factor in taxation. This has opened the door for other limitations to be considered, making this work of utmost importance in the study of taxation.

Willie Alford:

Does one one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you never know the inside because don't assess book by its deal with may doesn't work at this point is difficult job because you are frightened that the inside maybe not as fantastic as in the outside look likes. Maybe you answer is usually The Taxing Power: A Reference Guide to the United States Constitution (Reference Guides to the United States Constitution) why because the great cover that make you consider about the content will not disappoint anyone. The inside or content is definitely fantastic as the outside or maybe cover. Your reading 6th sense will directly assist you to pick up this book.

Dona Henry:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Taxing Power: A Reference Guide to the United States Constitution (Reference Guides to the United States Constitution) can make you feel more interested

to read.
