Violation and Control, Massive Alpha Males: Submissive Women Dominated Lupe Celeste

"**I want you so bad. I need it.**" he says, licking his lips and holding onto her by a fistful of hair. The pressure in his pants is growing by the moment, and it requires every bit of self control he has to stop himself from **ravishing** her right then and there. She is his new **submissive**, and it's time for him to lay claim to her, to show her who is in control, and who she belongs to.

"**Yes sir.**" she says, feeling compelled to serve him. "**Please, punish me.**" she begs, surprising herself with her own desperation. He is her **ultimate alpha**. Powerful, confident, and muscular. His presence naturally demands her trust, and she knows that he will **manhandle her hard**. Still, she is scared, shaking with nervousness and arousal. He is massive, aggressive, and she isn't sure if she can handle the tight squeeze and hard thrusting.

Fifteen stories for the price of 1! Submissive women and the alphas they can't get enough of. **Older women and younger men, older men and younger women, fighters, billionaires, naughty professors, first times, menage, bondage, spanking, backdoor, stretching, suspension, collars, leashes, rough verbal domination, public humiliation, AND MORE!**
