99 Films and Cartoons Your Children MUST See Before Growing Up: OR THEY'LL TURN OUT TO BE AXE MURDERERS!! Tim DeForest

A guide to old-time films and cartoons designed to help parents ensure that TV time for their kids is an entertaining experience that also has respect for the innocence of childhood. This isn't just a classic film list, but also includes lesser-known B-movies that are still worthwhile in terms of good storytelling. The movies and cartoons on this list are first and foremost well-told stories. It is hoped that they can also teach children a little bit about our cultural history and maybe toss in an occasional lesson about honor, courage, faith and responsibility.
