Fuck the World Bodhi Oser

Juvenile, profane, and timeless, Bodhi Oser's first collection of photographs, *Fuck this Book* (more than 60,000 copies sold), featured images of real public signs that had been mischievously altered by stickers bearing the most expressive of all four-letter words. For this all-new collection, Oser embarked on a globe-trotting odyssey, spending countless hours on the hunt for the almost-perfect sign, in need of just the slightest improvement. Addictively hilarious, the results show a world persuasively transformed. Is it any wonder tourists flock to Fuckingham Palace? All photographs are unretouched all real stickers, all real signs, all in good humor. Also included are the best submissions sent in by fans around the world, and a sheet of (removable) stickers so everyone can join in the fun.
