Discover how the Amadis began in this fascinating prequel to the award-winning Soul Savers Series!

While the land of Ancient Greece is plagued with mortals' wars, twins Cassandra and Jordan have lived more than a lifetime as outcasts. When their dying father divulges a secret that's been buried in his soul, his children come to opposite conclusions, launching them down two very different paths.

Jordan descends down a road of darkness and discovers the Daemoni, servants to Satan. His passion to gain their inhuman abilities, especially that of immortality, nearly consumes him, but when he thinks he's achieved his ultimate goal, he yearns for his sister to share in his power.

Cassandra, however, follows the path of healing and light. She cares for the wounded and dying on the battlefields, while praying for the end to such atrocities. But her brother is determined to bring her into the war of all ages - the one for human souls.

Whether you've already immersed yourself in the world of the Amadis through the main Soul Savers Series, or this is your initial foray into Cook's world, you'll find yourself addicted and wanting more until long past the last word.
