Manifestation Of The Sons Of God McClinton E. Porter

One of the things that the Holy Spirit has continually impressed upon me is how essential it is for every believer to get a comprehensive understanding of who we are in Christ. If there is one thing I know for sure it's that I have yet to walk in the fullness of what Christ has provided for me. This serves to motivate and encourage me to, like the Apostle Paul, press toward the mark for the prize of the high call of God that exists in Christ Jesus. I'm sure that many, if not all of you, who have this book in your possession desire the same thing. "Manifestation of the Sons of God" is a tool that can aid your progression in achieving this goal. We live in an hour that desperately cries out for God's power and glory to be realized to bring the healing and wholeness that only God can produce. This book is full of thought-provoking revelation, presented in a conversational tone that will certainly challenge and encourage you to be all that God has called you to be. Within these pages a very clear differentiation between being a "child of God" and a "son of God" is set forth, and it is based completely on Scripture. The Father God is expecting His sons to arise while simultaneously all of creation is waiting, and yearning, for the "Manifestation of the Sons of God."
