Willows Burn Kira Goodwin

Life is a search for answers. Or so we think. But what do you do when things start happening, bad things, ones you can't explain? You search and search for answers, hoping for an explanation, a reason why. Willie Burns can't find that. She is suffering and all she wants is an explanation, an out. She is haunted by her past, tortured by it, and worst of all, she is suffering alone. Willie must learn to trust others and to face her past or she may never find peace again.
