**A Handbook for Student Nurses, second edition: Introducing Key Issues Relevant for Practice** Wendy Benbow, Gill Jordan

*A Handbook for Student Nurses* is a comprehensively updated introduction to the essential background knowledge that pre-registration nursing students need as a foundation for the rest of their training. This book covers the core of first year nursing:

- \* Legal and professional issues
- \* Communication
- \* Values and health care ethics
- \* Reflection and personal development
- \* Evidence-based practice
- \* Study skills and IT
- \* Medicine, IV fluid and drug administration (*new for this edition*)

Case studies and examples, activities and reflection points all aid learning, while up-to-date legislation, key documents and reports, and website links to relevant organisations provide easy access to core information.

## What lecturers thought about the first edition:

*“I found this to be an excellent resource and I feel students new to the profession would find it extremely useful.... The book is well-organised, highly readable and accessible.”*

*“An excellent introductory text for student nurses, written in a clear and illuminative style.”*
