Planetary Assault (Star Force Series) B. V. Larson, Vaughn Heppner, David VanDyke

Sometimes defending those you love means risking everything and attempting the most dangerous task in the universe—making a planetary assault against a heavily entrenched enemy. It's grim and always ugly. But as long as men refuse to bow their heads to conquerors, they will take the fight to the enemy or die trying.

Three masters of military science fiction have come together to tell harrowing tales of high-tech mayhem. In B. V. Larson's "An Army of One" the Macros of the Star Force series invade from the skies, forcing a nanotized assassin into a deadly decision. David VanDyke's "First Conquest" tells of a bitter battle as EarthFleet smashes into an alien star system in a desperate first strike to save humanity. Vaughn Heppner's Space Marines of the Doom Star series race to the Oort Cloud in "Cyborgs!" For them, the hour of desperation has arrived. Planetary Assault drips of glorious victories and grim defeats as humanity forces its way into the galaxy through sheer fighting ability. Despite their opponents, mankind will not be denied.

Anthony Perez:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Planetary Assault (Star Force Series) can make you really feel more interested to read.
