Citizen's Guide to Armed Defense Kevin R. Davis

Millions of people are purchasing firearms for personal safety and home protection, but owning a firearm is only one part of the equation.

Citizen's Guide to Armed Defense covers the critical aspects of that equation for armed citizens, including:

- Operating firearms effectively
- Effects of stress on performance
- Laws of self-defense and deadly force
- Interacting with responding police and investigators

Written by a veteran, working police officer and nationally known law enforcement trainer who specializes in use of force investigations and the dynamics of violent encounters, this guide reveals what works. Author Kevin Davis explains application of sound tactics and techniques based on state-of-the-art hardware, adult learning principles, firearms training and violent armed and unarmed encounters.

Owning a firearm is only one step; this guide will take you to the next level.
