LES DANGERS DE L'ISLAM POUR LA FRANCE (French Edition) Paul Lassance

De l'islam, on n'a souvent que quelques idées préconçues. Quant à l'histoire de la France et de l'Islam est bien méconnue. Et pour cause, les autorités officielles préfèrent l'oublier ou la minimiser. Mais, comme disait Winston Churchill, "méconnaître l'histoire, c'est se condamner à la revivre". Il est donc important de connaître cette histoire.

L'islamophobie est définie par Wikipedia comme "une peur, ou une vision altérée de l'islam". Quand on voit l'actualité de tous les jours, comment ne pas ressentir une peur de l'islam ? Ou voit-on la paix dans le monde islamique ? Une vision altérée de l'islam ? Quand vous aurez lu ce livre, ce sera à vous de décider si oui ou non la violence dans l'islam peut être considérée comme une vision altérée de cette religion.
