**18 year old Charles** has always been a little bit **girlish**. But he never expected his father to **sell his body to a wealthy Baron!**

The **Baron of Littlehampton** is **infamous for his dark perversions**, but nothing prepares Charles for the trials that he is expected to endure in the Baron's presence.

The Baron humiliates Charles, now called *Charlotte*, making him **dress up like a little girl**, and treating him like a **little sissy**. But the most shocking thing of all is that Charles actually begins to rather like it. He likes it so much, in fact, that he lets himself **succumb to the Baron's darkest desires... hard and without protection**.
