BACHELOR TERRITORY

Unsuitable...but irresistible!

Marc wanted a sleep, sophisticated woman from the right social background to marry and have children with, but he was finding it practically impossible! He was finally offered a solution in the guise of fun-loving Rennie Morgan, who certainly wasn't suitable herself—but had lots of eligible friends!

Marc suggested that in return for his canceling a business debt she owed him, she should help him choose a bride. It seemed like a great idea—until he started thinking more about kissing Rennie than he did about finding his perfect wife!

There are two sides to every story...and now it's his turn!
